### **NCCU Tennis Day**

DURHAM N.C. - The North Carolina Central Eagles men's and women's tennis teams are hosting a Tennis Day during the 10:40 a.m. break on Apr. 4 at the Eagles home courts.

Guests will have the opportunity to meet the NCCU men's and women's tennis teams while learning fun facts about the game and the USTA Southern section.

The tennis courts will be open for free-play of friendly matches. There will be snacks and drinks provided. The teams will also be doing a give away.

The NCCU Tennis Day event is open to all NCCU students and the public is welcome and encouraged to join in the festivities according to the director of tennis Curtis Lawson.

The USTA Southern Foundation is a proud sponsor of the event. The mission of the USTA Foundation is to bring tennis and education together to change lives. Using this powerful combination, they help serve up dreams for under-resourced youth; individuals with disabilities; and wounded, ill and injured service members, veterans and their families.
